

4. Will your family and friends be supportive of your new business?

5. Do you know what type of business you need to set up (ex: LLC, S-Corp, etc.)?

6. Does your hobby produce a product (ex: something handmade, can be shipped, etc.), a service (ex: coaching, teaching, giving lessons, etc.) or both?

7. How do you want to sell (ex: online, direct to customers at craft fairs, etc.)?

8. What makes your product or service unique, or different from competitors?

9. How will you find customers?

10. Do you have extra money already to start or will you need to raise or borrow it?

11. What are you afraid of when it comes to starting your own business?

Reviewing your answers above, write down your next logical steps:

- 1.
- 2.
- 3.
- 4.
- 5.

Suggested Next Steps from Rev at Hobsess:

1. Don't freak out if you just realized you have more questions than answers. I'll help you. 😊
2. Sign up to take the free 5-Day "From Hobby to Business" Challenge here: https://app.convertkit.com/landing_pages/51210
3. Connect with me on [Facebook](#), [Pinterest](#) and [Twitter](#) (see top of Hobsess.com for links)
4. Read the email I will send you every other week that focuses on tips and tricks for making money with your hobby.
